

6th January 2021

Dear Hackle Team Member,

We have now entered our third period of National Lockdown due to the ongoing COVID-19 pandemic. I wanted to take this opportunity to thank you for your diligence, courage, and resilience for attending work during these difficult and challenging times. We know from published data that Security Officers are amongst those at highest risk, and we consider ourselves extremely lucky that of our workforce, which exceeds 120 team members, we have only had one COVID-19 case, and thankfully the staff member has made a full recovery.

Many of you will have to take public transport to attend your work location and I hope that those journeys are allowing you the social distancing which is vital in the battle against this virus.

You should all now have received an essential transport letter from the Administration Team, and we urge you to carry these with you during your journeys to ensure if you are stopped by the Police, or Transport Police, that they will be satisfied that your journey is essential.

The Management and Administration Team are committed to supporting our staff carrying out their essential work on our clients' sites and they remain available via email or phone for any questions or concerns that you may have.

Please do keep checking the link below which will update you as to the current Government guidelines regarding COVID-19.

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection#symptoms>

With the new strains of COVID appearing more easily transmittible, please ensure the highest levels of personal and workplace hygiene are maintained and social distancing is practiced in order to keep yourself and those around you safe and well.

Lastly, I would like to wish you a very Happy New Year, and hope that you and your families remain safe and healthy.

Yours sincerely

Mark Mathurin
Managing Director
